

# OK Capitol Directions

## ADA Parking:

Please park on the south side of the Capitol. Accessible parking is located at the base of the south steps. Overflow parking is available at the Jim Thorpe Building west of Lincoln Blvd.

The visitor entrance which is located on the southeast corner of the Capitol is ADA accessible.

The road that runs along the south side of the Capitol has the majority of ADA parking that is most accessible by the public.

The visitor entrance is downhill from parking so be prepared for some long ramps.

Pick up at step # 4 in the Visitor Parking Guide on the next page.

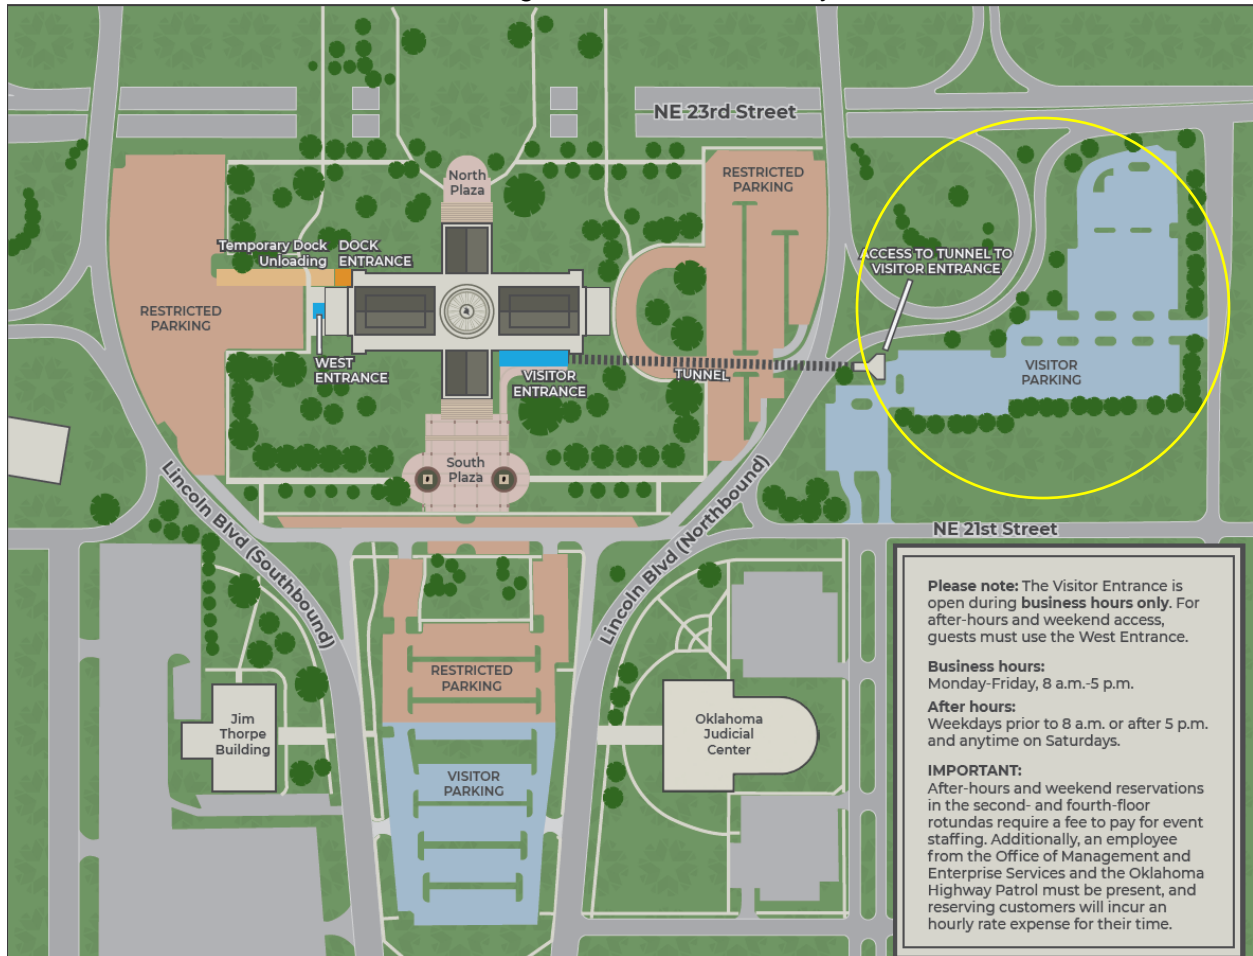

The red stars show where to enter the parking lot off of Lincoln Blvd. So, once someone turns into the parking lot, they will need to drive north toward the Capitol to reach the road that has the ADA parking.
