# Volunteer Trainings

Trainings are in a volunteer's contact record, not their extended profile

The screenshot displays the American Cancer Society Volunteer Management interface. At the top, a navigation bar includes the American Cancer Society logo, a search bar, and various icons. Below this, a secondary navigation bar lists options like 'Volunteer Manage...', 'Reports', 'Home', 'Chatter', 'Accounts', 'Contacts', 'Cases', 'Extended Profile Info' (which is highlighted), 'Volunteer Jobs', and 'More'. The main content area shows the 'Extended Profile Info' for 'Victoria Crocker 3592817'. This section is divided into 'Details' and 'Activity' tabs. Under 'Details', there are two expandable sections: 'Information' and 'Contact Information'. The 'Information' section contains fields for 'Extended Profile Info Name' (Victoria Crocker 3592817) and 'Contact' (Victoria Crocker). The 'Contact Information' section contains fields for 'Primary Address City' (CHARLOTTE), 'Primary Address State' (NC), 'Primary Phone' ((704) 777-4014), and 'Primary Email' (vecrocke@ncsu.edu). A blue arrow points from the text 'Trainings are in a volunteer's contact record, not their extended profile' to the 'Contact' field in the 'Information' section. On the right side of the page, there is a 'Related List Quick Links' section with links to 'Extended Profile Info History (3)', 'Community Hours (2)', and 'Volunteer Hours (5)'. Below this is a 'Post' section with a 'Share an update...' input field and a 'Share' button. At the bottom right, there is a search bar labeled 'Search this feed...'.
