

Join the Yes on Proposition 31 Coalition

Big Tobacco is trying to overturn California's bipartisan law that protects children from getting hooked on candy-flavored e-cigarettes, cheap sweet cigars and minty-menthol cigarettes because they know hiding dangerous and addictive nicotine products behind candy flavors preferred by kids is a sure way to get kids hooked on a lifetime of addiction. Join us in voting YES on Prop. 31 to protect kids from Big Tobacco's candy-flavored deception.
